

ESTIMATOR / CONTRACT NEGOTIATOR

Job Type: Permanent

Location: Waterlooville, Hampshire

Salary: negotiable depending on experience + Car + Phone

As one of the UK's leading flat roofing and waterproofing contractors, Roofline are looking to recruit an estimator to join our busy and long established commercial dept. We are looking for a self motivated individual to join our highly successful team of estimators/negotiators to assist in a greater demand by clients for our services and to ensure tender deadlines are achieved.

About the role:

- Tendering and securing of roofing and waterproofing projects up to a value of £2 Million, in particular monolithic hot melt, Single Ply, Bituminous, Liquid and Green roof systems plus associated trades.
- Ability to negotiate with clients and offer design and build input and value engineering during the tender process.
- Excellent career progression opportunities.
- Negotiating with suppliers and obtaining competitive quotations.
- Good IT knowledge and ability to work in our bespoke Excel software packages
- Expectation to meet client tender deadlines
- Good team ethics and ability to hand over contracts smoothly to Contracts department
- Hours of work – Mon-Fri 8am – 5.30pm or as required to fulfil your role.

About the Candidate:

- Good knowledge and experience of estimating process' (roofing experience preferable but not essential)
- Based within the Hampshire area
- Computer Literate
- Confident communicator.
- Career driven
- Able to work under pressure when required to meet tight deadlines.

In the first instance, please send your CV marked confidential to:
